Parking Instructions for Silent Stage Studios, Shotley.

Parking at the studio can be limited - for this reason the studio asks that you park on a road round the back called Lower Harlings:

If you use a sat nav, then you can set it to IP9 1QE. Just before you reach your destination you will turn right into Lower Harlings. As you enter Lower Harlings there is on-street parking on the left hand side of the road (marked with blue line on the map), next to a verge and large conifer trees.

If you don't use a sat nav then
- follow the B1456 from Ipswich to Shotley Gate.
- Once in Shotley Gate continue and you will come to a new roundabout.
- Take the second exit from the roundabout and continue towards the marina.
- Take the second on the right into Lower Harlings before the bend on the map at the top of Bristol Hill.
- Once in Lower Harlings, please park on the left next to the verge/trees (marked with blue line on the map).

If you reach Parkers Garage on the right along Lower Harlings, you have gone too far, or, if you go down the hill to the waterfront, you have missed the turn into Lower Harlings.

This all sounds more complicated than it is!

Once you are parked, the studio can be accessed from a gate at the end of the verge on the left hand side of the road where you have parked. It's tucked away in the corner, marked with the red arrow on the map.
